

## SCHOOL VISITS

We have been asked to take a balloon/walk-through to three schools. Gail has offered to do some of these but would like some help please from those who can arrange the time. Please co-ordinate with Wendy for dates.

These are generally a lot of fun

## BALLOONING HISTORY

Albuquerque 1974

"When time permits, I shall wax lyrical about The Gordon Bennett Balloon Race. Rolls and Capper entered the first year, 1906, and came third flying from Paris to Hull. This posed studio shot shows Rolls in 1908. He enjoyed his small balloon for solo flights..."

The British Team entered in the 1908 Gordon Bennett Race.
